Social Services

Local government

Organizational governance

Collaboration

“No man is an island, Entire of itself; Every man is a piece of the continent, A part of the main.”

- John Donne

Mid Term

- ▶ Agriculture sector investment
- ▶ Business expansion
- ▶ Technical expertise diversification

Long Term

- ▶ Demographic shift
- ▶ Conflict management

Northview Weather

“Northview creates customized weather insights for snow, ice, and wind storms providing actionable information to make difficult storm management decisions easier.”
